

EXECUTIVE SEMINAR CENTER PROGRAM
SHARED TRAINING FACILITIES AGREEMENT

BETWEEN

Central Intelligence Agency
Department or Agency

AND

THE U. S. CIVIL SERVICE COMMISSION

The Executive Seminar Centers at Berkeley, California; Kings Point, New York; and Oak Ridge, Tennessee exist as interagency training facilities of the U. S. Government administered by the U. S. Civil Service Commission for the benefit of all federal departments and agencies.

The Executive Seminar Center program offers a series of executive seminars and related learning opportunities in government affairs for career employees in grades GS-13 through GS-15 (or equivalent) who clearly evidence the ability and potential to serve in top career posts. A limited number of such persons in other grades may attend when their participation serves an approved particular, useful career objective. Detailed information concerning courses and schedules is issued separately by the Commission.

The Executive Seminar Center program exists to meet the needs of departments and agencies as authorized by Section 8 of the Government Employees Training Act (5 U.S.C. 4101). The costs of operating and maintaining the program are shared by federal departments and agencies using the facilities.

The annual cost to operate the Berkeley, Kings Point, and Oak Ridge Executive Seminar Centers for Fiscal Year 1975 is estimated to be \$1,831,000 or \$750 for each two-week session and \$1,125 for each three-week session per enrollee.

One copy of this agreement should be signed and returned to the Executive Seminar Center Coordinator, Room 7615, Bureau of Training, U. S. Civil Service Commission, 1900 E Street, N. W., Washington, D. C., 20415; the other two copies should be retained by the agency.
